SUBJECT.

In re The restoration of the Sarvamanya Village of Settihalli, Belur Taluk, endowed to the Vyasarayaswami Matt

FROM

The Deputy Commissioner, Hassan District

769 Dated 15th May 1907.

Under orders of Government conveyed in their Lra of the 29th September 1903. The land endowments &c. of the Sri Vyasarayaswamy Matt among which was included the Sarvamanya Village of Settihalli in the Belur Taluk, came under Government management. Jaganatha Chars and his brother Keshu Chars of Belur petitioned this office stating that the said Sarvamanya Village had been in the enjoyment of their family for years past in consideration of conduct of certain specified

Puje to the Srinivasa Devaru, Puje Aradhane, etc
to the Brindavanam of Sri Lakshmi Vallabha-
Swamigalavaru, situated on the banks of
Vishnu Samudra, Katte Suvarna, Vyasa Puje,
after paying Sthala Uttara and local and
other cesses to Government, and also a
gutta of Rs 40/ to the matt. The petition-
ers prayed that the Village might be
released from attachment and restored
to them to enable them to conduct these
Services and permitted to pay the lease
amount to Govt. instead of to the
matt. This petition was forwarded
to the Deputy Commr of the Hassan
District, and that officer has submitted
a detailed report together with the
Vernacular records bearing on the subject.
In their deposition before the
Amildar received with the Vernacular
apers, the petitioners state that
Sarvamanya Village of Settihalli
Becherakh land with a Beriz
of whose annual income is
le to ascertain, that they

have advanced amounts (mavagada) to the
ryots to bring the land under cultivation
that they have spent some 500 or 600 Rs
in effecting improvements for the better
cultivation of the land. They represent
that from the income of the lands,
amounts as shown in the margin
are being spent for Puje, Archane, etc
which are being performed by them in
terms, and that they have not maintain-
ed any accounts. They have produced
a no. of documents in support of
their claim. Some of these are said to
be receipts given to them by the Math
for the payment of Gutta amounts,
while some are receipts ~~are~~ in evidence
of the payment of the local c

a copy of a Kanarese order relied upon by the parties which is stated to have been issued in the year Viswavasu by Jinoodeen Saheb, late Amildar of Belur to the Sri Vyasarayaswamy Matt. This order purports to say that the Sarvamanya Villages of Yelahanka and Sellihalli which were under attachment should be released and restored to the matt Brahmins under what circumstances the Villages came to be attached, who those Brahmins were and whether they were holding the land on Kayamgutta tenure or as ents on behalf of the Matt, it clear. The petitioners urge these Brahmins were their and conclude that the Village in question was

in their enjoyment for a long time.
The petitioners add that they will
produce witnesses who may be examined
and pray that they may be allowed
to continue to enjoy the Village and
also to pay the Sutta to Govt. Narna
bhar, Srimusthara Srinivasa moorthyachar
and Kesna bhar respectively (probably
witnesses summoned by them) have deposed
stating that they have heard it said
that the Village was in the enjoyment
of the petitioners' family for a long
time past in consideration of the
conduct of some services and of a
payment of Sutta to the Matt and
that they know that it has been
in their enjoyment for about 60 years

made to the Mathadhikari and Suttadar

The Amildar after making a reference
to the last of the documents referred to,
states that it is a fact beyond all doubt
that the village in question was in
the enjoyment of the petitioners for
several ~~days~~ years past especially seeing
the receipts given by the math and
Govt., that the result of the enquiry
made by him goes to show that the

the petitioners and their ancestors

services etc. and is of opinion

as to how the petitioners may be thrown out of the land. The Deputy Commr is of opinion that the petitioners may be allowed the enjoyment of the Village in question as heretofore, paying the lease amount to Govt instead of to the matt. On a reference from this office as to whether the services are being properly conducted since the assumption of its management by Govt that officer reports that the said services were and continue to be, performed by Jagannatha Char and Keshachar and submits a Mahazar of the Below to that effect.

Sir,

In reply to your Docket No. 1779 dated 22nd November 1904 forwarding for report a petition from Kesavachar and Jagannathachar of Belur stating that Sarvamanya Settihalli village in Belur endowed to the Sri Vysarayaswami has been leased out to them by the certain Services and that the same

same may be continued to them while the village is under Government management. I have the honor to state that it is apparent from the Amildar's report, enclosed, that the Petitioners were in the enjoyment of the village in consideration of rendering Brindavana Puja Katte Pavana and Vyasa Puja in the Mutt precincts at Belur. It is clear from the receipts showing payments of local cess to Government and the lease amount of Rs 40 every year to the Mutt authorities that the Petitioners were in the enjoyment of the village since 1867. Moreover the order of release of the village from attachment appears to show that the village was in the enjoyment of the Petitioner's family for more than a century. Under the above circumstances the Petitioners may be allowed the enjoyment of the village in question as heretofore paying the lease amount to Government instead of to the Swami of the Mutt. The entire Vernacular File is herewith for reference.—
